

Poster Competition

The students interested in preparing a poster can participate in this competition

Posters can be prepared by individual or groups

Criteria:

- Digital poster created on a single PowerPoint (PP) slide with minimum font size of 18, or hand-drawn poster created on an A3-size paper and scanned as in image into a PP slide
- These are not academic-style posters and rather infographic/illustrations with less text.
- Mention the following details on the poster itself (insert a text box at the bottom of the poster in the PP slide)
 - Title of the poster
 - Name of the student(s)
 - Department and Faculty

Relevant to the following titles (But not limited to)

1. How are genetically modified organisms (GMOs) developed?
2. Advantages and global status of GMOs
3. GMO and their potential for Sri Lanka
4. Myths and Facts about GMO
5. Potential risks of GMO and how they are mitigated
6. How is safety of GMO established?
7. What is biosafety to you?
8. Biosafety regulatory system in Sri Lanka
9. Role of public in GMOs

Deadline for Submission:
16th August 2021

All posters should be sent to Dr. N. Krishnapillai at nahmagal@univ.jfn.ac.lk
